Happy Last Month of school!

As the end of the school year approaches, the second grade team would like to thank you all for sharing your children with us. We have thoroughly enjoyed teaching them this year. During the last few weeks, we will be wrapping up our writing and math units and starting to have some fun to bring in the summer. We all encourage you to continue to read EVERYDAY with your child during the summer to reinforce those skills they learned throughout the school year. Please continue to use all the online resources that have been available all year. Have a wonderful summer!

Please continue to use these resources!

MyON is our online interactive library that is accessible to all our students. It is a great program which encourages our students to read. Please have your child log-in daily. www.myon.com

Mathletics is designed to provide students with an engaging and safe learning experience. Targeted and adaptive content with structured support, plus gaming and rewards - all aligned to Common Core. www.mathletics.com

I-Ready is a diagnostic tool that provides personalized student instruction targeted to students' unique areas of needs. <https://login.i-ready.com>

UNIT THEMES

ELA:

- Students will be finishing the year out with informative writing. We will continue to work on producing writing pieces that include an introduction, a body with supporting details on the topic and a conclusion paragraph.

MATH

- Students will finish the year off by completing Chapter 8 that focuses on measurement. Students Should continue to practice using rulers at home To measure objects throughout their homes.
