

2nd Grade November 2016 Newsletter

Principal: David Norment Assistant Principal: Robbyn Hasberry Eartha Pruitt
PS 140Q Edward K. Ellington School
116-01 116th Avenue Jamaica, NY 11434

Happy November!

As the school year progresses, the second grade team will like to keep you informed about what is going on in the classroom. All three of our educational websites, myOn, mathletics, and i-Ready, are up and running. Students will be sent home with usernames and passwords so that you have access from your personal computers. It is important to utilize these resources because they reinforce skills that were taught both previously and currently.

Please be sure to go over homework with your child because the homework reinforces what is being taught in class that day.

Thank you!

Mrs. Elserafy (201), Ms. Mundaca (202), Ms. Miller (203)

Unit Themes:

Math: Students will be concluding Unit 1 (Number Sense and Place Value) and will begin Unit 2 which will focus on Addition and Subtraction.

ELA: Students will be focusing on writing Informative/Explanatory pieces based on informational texts. Students will be learning how to dissect texts and pull key details to develop a well written writing sample. We will also be focusing on how to identify the main idea and how to use text features to gather information.

Social Studies: Students will be exploring communities

Science: Students will be focusing on earth materials
