

In The News

Learning in the Month Ahead

We have had a successful transition into fourth grade! Our students are learning about identifying the main idea and key details from an informational text. In the next few weeks, we will learn how to become researchers! In math we are focusing on writing numbers in standard, expanded, and word form. Additionally, we are practicing rounding and adding/subtracting multi-digit numbers.

October Dates

October 10th –
No School Columbus Day

October 12th – No School
Yom Kippur observed

Curriculum Corner

New York State Exams:

ELA: 3/28/17 – 3/30/17

Math: 5/2/17 – 5/4/17

Science: 5/24/17 – 6/2/17,
6/5/17

Please be mindful that in order for us to prepare your children the best we can, we need **YOUR** help!

Helping Your Child at Home

Read informational and narrative text with your child asking them question during reading.

Review fact families (multiplication and division)

Encourage your child to keep a journal at home. This is a great way to strengthen their writing!

Important Reminders

- Please make sure your child is in their school uniform every day!
- Check your child's homework every night.
- Homework will be assigned every night; please review to the best of your ability.
- Make sure your child gets a restful night's sleep every night in order to perform to the best of their ability.
- Students will be dismissed from the auditorium beginning at
